Subject In re Jazz Products, LLC, Case No. 09-33687

History:

 This message has been forwarded.

To the Honorable Judge Raymond T. Lyons,

Pursuant to instructions received from Gary Nau, we are writing to request a revised order granting application for compensation and expenses to Arent Fox LLP, counsel for the Official Committee of Unsecured Creditors [Docket No. 143], authorizing (1) payment in the amount of \$2,106.00 for translation services rendered by Dr. Haishan Liu and (2) application of the retainer in the amount of \$20,000 on pro rata basis between the Committee's professionals, Arent Fox LLP, Executive Sounding Board Associates, and Dr. Haishan Liu, as requested in the Arent Fox Application.

The Order in its current form does not provide for payment of \$2,106.00 for translation services rendered by Dr. Haishan Liu, as requested in our application. See Application at 2 ¶ 1, 3 ¶ 7, & Exhibit D to the Application. In addition to the fees and expenses incurred by Arent Fox, the Committee engaged Dr. Haishan Liu to provide translation services for the members of the Committee who are Chinese corporations and whose representatives speak little or no English. We therefore ask the Court to amend the Order to authorize compensation to Dr. Haishan Liu in the amount of \$2,106.00.

Further, the Order in its current form does not authorize application of the retainer in the amount of \$20,000 (the "Retainer") on pro rata basis between the Committee's professionals, Arent Fox LLP, Executive Sounding Board Associates, and Dr. Haishan Liu, as also requested in our application. See Attorney Fee Application Sheet at 1 n.2; Application at 4 ¶ 12 & at 9. Pursuant to the Court's Order dated October 30, 2009 [Docket No. 85], Arent Fox received the Retainer and is now asking the Court to amend the Order to authorize application of the Retainer between the Committee's professionals on pro rata basis.

For the Court's convenience, we are attaching the proposed form of order that we previously submitted along with our application, which provides sample language authorizing the relief requested.

Thank you.

Respectfully submitted,
